**Notice of Public Hearing** THE RUSSELL COUNTY PUBLIC SERVICE AUTHORITY WILL HOLD A PUBLIC HEARING AT THE CONFERENCE CENTER LOCATED AT 137 HIGHLAND DRIVE IN LEBANON, VIRGINIA AT 6:00 PM ON MONDAY JUNE 30, 2025, PURSUANT TO VIRGINIA CODE § 15.2-2119 TO CONSIDER AN INCREASE IN WATER AND SEWER RATES/FEEES. Comments will be heard at the opening of the public hearing.

The Russell County Public Service Authority is dedicated to providing exceptional water and wastewater services at the lowest possible cost, and provides this vital, cost-effective service reliably every day of the year. While the Authority continually strives for cost reductions and maximization of its assets, it also needs to keep pace with inflation and other cost increases, including, among others, the costs of complying with regulations governing the treatment of water and disposal of wastewater, repairing, and replacing aging infrastructure, and year-over-year increases related to energy, chemicals, and maintenance and labor costs. If approved, the new rates/fees would be effective for all bill statements issued on or after July 1, 2025
